# ABOUT OUR COMPANY

## A BRIEF STORY ABOUT THE COMPANY

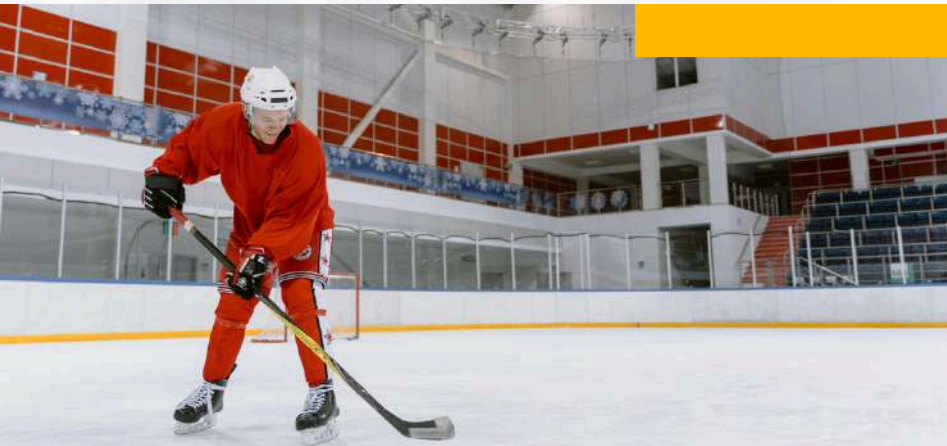

We ZAAM TEXTILES are a leading quality-oriented manufacturing Company of all kinds of Club Sportswear along with their complete package or kit (Socks, Duffel bags, Sports jackets, pants), and Safety & Workwear Uniforms including corporate Jackets.

Our productions are custom-made and 100% guaranteed in terms of quality. We do not work without the approval of the first Proto sample. If the buyer finds a single garment due to a quality problem just because of human error, we pay back his total cost. Because we believe Buyers' Loss, Is our Loss.

Therefore due to these principles, we work with our clients on a long-term basis. Please feel free to write to us at [info@zaamtextiles.com](mailto:info@zaamtextiles.com)

BRINGING IDEAS AND INNOVATION  
TO LIFE THROUGH TECHNOLOGY

# WHERE IT ALL STARTED

Established in 1995, ZAAM TEXTILES gradually expanded in capacity in UNIT-1 and Later since 1999 acquired UNIT-2. There are about 700 workers in both units.

We **ZAAM TEXTILES** believe in honesty, integrity, and mutual respect for all. We realize your ideas and produce your collection in your design and with your labels in small quantities.

We manufacture for your desire and need in high numbers of items, ideal for the wholesale, importer, and mode chains. If we should have aroused your interest, then you can address us. With our form for feedback, you can reach us fast and comfortably.

**Zaam Textiles** has been making heavy-duty workwear for 23 years. **Zaam Textiles** was the very first company in Pakistan to make an insulated coverall.

**Zaam Textiles** designs apparel with unmatched quality and durability that stands up to the intense demands of workwear. Workwear has been designed to target the back-end worker in any position that he/she serves, whether in a plant, driving a truck, or on a construction site. Zaam Textiles has also developed a specialized niche in high visibility, Flame-resistant, and safety clothing. **Zaam Textiles** offers a wide range of high-quality and rugged workwear, outwear, and rainwear designed to meet the demands of today's working men and women. From shirts, pants, and coveralls, to parkas, fleece pullovers, and 100% waterproof clothing, the quality, durability, and comfort of our products are unrivaled in the workwear industry.

# EXPERIENCING ZAAM

## DIVE INTO OUR HISTORY

In partnership with you, zaam textiles develop solutions for your personal protective equipment and protective clothing.

We want to awaken the desire for optimal protection in all work situations and thereby always reveal the reference to the special appearance of your company. That appearance, functionality, comfort, and safety aspects must create a sense of well-being with your employees and promote identification with your company. Expert advice, intelligent material combinations, convincing quality, and a reasonable price are given to us. Safety and protection require great trust. Therefore, it is important to us to fully inform you about the materials used, the standards and protection aspects met by the clothing as well as the care of the clothing. A service we offer in the compressed form is already here on our website. Design, product development, and prototyping come from a single source. The use of the latest CAD technology and textile processing technologies is the basis of our success and the quality of our products. As a responsible manufacturing and production clothing company, we only work together with audited sewing factories across Europe. And again, our standards of quality management (**ISO 9001**) apply. In that way, we ensure technological monitoring of manufacturing processes and the quality of our products. Visit our company headquarters in Lahore, Pakistan, and get into personal dialogue with our team. Learn more about our strategic and operational development department and our sewing room for samples. At our headquarters, we also control the complete purchase of all materials and production preparation. Due to the international corporate alignment, a logistics and customs department was set up. So, Our customers will have sustainable quality and better outcomes. Or you can make an appointment with our sales team, which will let you know about our various products of safety and protective clothing at your company.

# DISCOVERING ZAAM TEXTILES

## WHO WE ARE?

At ZAAM TEXTILES, we are providing manufacturing services under one roof. If you have to design Sportswear products or Leather Product or Security & Workwear Jackets and uniforms clothing, we have to provide the facility from Proto development to final bulk shipment manufacturing under one roof. Our manufacturing machinery facilities are based and erected only for CUSTOM-made productions. We are highly committed to every client so that we can provide the best manufacturing facilities for any CUSTOM-made product to our valued clients. Our moral values are our commitment, Quality standards, and long-term relations with our prestigious buyers. Based on these business ethics, we would like to make the business relations with our new buyers.

## SOCIAL RESPONSIBILITY

A large portion of our society is still living on the poverty line due to a lack of access to basic healthcare facilities. So, We are trying to play a key role in this case. Realizing the need to provide basic health care facilities to remote and neglected parts of our country. ZAAM TEXTILES is working with NGOs and other institutions. Dedicated to providing basic and quality health care infrastructure in the social service sector. Our company is sponsoring a school and a hospital.

# EXPERIENCE

## OUR EXPERTISE

With our clothes, your employees shall feel comfortable and motivated to master everyday work. The technician of an energy supplier takes care of the power supply in a single house. The airport staff is monitoring various passengers at the gate. A bike messenger travels many kilometers to transport mail quickly from A to B. Every day, your employees come in contact with other people. They represent your company not only through their work but also with their appearance. We help you to show your positive corporate image through the clothing of your team. Whether high visibility, weather protection or cold protection jackets, fleece or softshell jackets, shirts, blouses, pants, or overalls, both functionality and. The comfort of the clothing, as well as appearance, plays an important role. Of course, our garments can be adapted to the corporate identity of your company, for example by mounting your company name and logo to the clothing. For typical sectors and work areas for which we develop and produce special protective and safety clothing, see our category "workwear". Our team is happy to advise you. Together we will find the optimal solution for your needs.

## CORPORATE RESPONSIBILITY

Corporate social responsibility (CSR) is an organization's initiative to assess and take responsibility for the company's effects on environmental and social wellbeing. The term commonly applies to efforts that go beyond what may be required by regulators or environmental protection groups. CSR can be referred to as corporate citizenship and can involve incurring short-term costs that do not provide an immediate financial benefit to the company. But instead, promote positive social and environmental change. So, the world could be a better place

# VISION

---

We always make every effort, with great enthusiasm and the combined forces of everyone we work with to provide the best solution in every situation.

# MISSION

---

Being Pakistan's leading company, our mission is to be a dependable partner for all of our customers in protecting their employees in their working environment.

# OUR OBJECTIVES

---

Every goal that we set ourselves is a challenge that we seek to achieve in an open working atmosphere and with total respect for everyone involved.

# OUR VALUES

---

With a product always perfect in style, the singular Design is not simple to unite the special function and an appropriate price – that is however, our prime Motto.

# PHILOSOPHY OF SUCCESS

## CONCEPTUALIZATION

One of the most difficult aspects of research — and one of the least discussed — is how to develop the idea for the research project in the first place.

## BRAIN STORMING

Vision without action is merely a dream. Action without vision just passes the time. Vision with action can change the world!

## EXECUTION

The dissidents not only embrace the current strategic goals of the trust, but propose to increase the execution pace of the objectives and accelerate acquisition activity.
