Company's Introduction

We are a leading quality-oriented Customized manufacturer of Motorcycle Gear (Jackets, Pants & Gloves) and highly fashioned Casual Leather Jackets & Gloves.

We are supplying to different buyers in Europe and USA on regular basis.

In Motorcycle gear, we have a specialty of Motorcycle Leather Gloves, Motorcycle Leather Jackets and Pants, piece leather suits, Cardura Jackets, Kevlar pants, Safety Jacket and Pant, Ski Gloves, highly Fashioned Casual Leather Jackets, etc. Other than we have also a specialty in Fashioned Jackets for Men & Ladies.

In leather, we have sheep, goat, cow, buffalo, full-grain process quality, semi and full aniline process quality, and also other artificial leather qualities.

We also use a lot of qualities to make the product more durable. All of these materials were imported from England and Italy. A few qualities which we use are Amozone Flex, Aqua-Dry, Aqua Fit, Aqua Shell, Clarino, Hypora, Kevlar, Amara, Silver plus, Gore-Tex, Cardura, Teflon, Coolmax Fabric, Air Guard, Aramid Ceramic, inner body fur, etc.

We always stand behind at our products which we produce. Because we know very well that if our services and our product quality will not meet to your standards then we cannot get next business. Therefore for long term business relations, Buyer's satisfaction is our success!!!!

This proves our honesty and hard work due to which we are doing business with our existing Buyers from last 20 years.

You are requested please first make samples from us and after its review, then you have to decide to make business relations with us.
